the PLUME of Tau Epsilon Phi

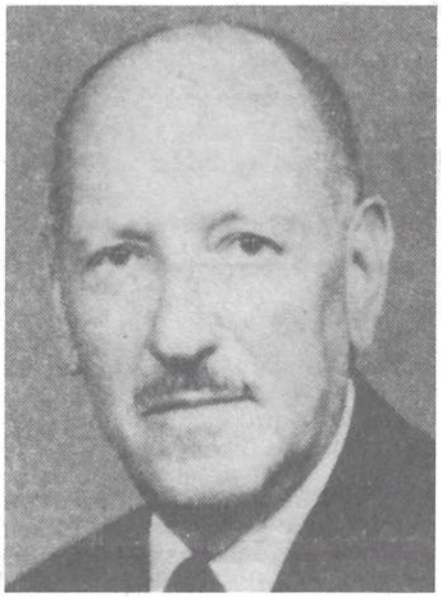

VOLUME LXXI WINTER 1978 NUMBER 1

## PAST CONSUL FEIN PASSES ON

AFTER an illness of many years duration, Brother Samuel L. Fein, Gamma (N.Y.U.) passed away in his home in Springfield, Mass. on December 18, 1977, at the age of 78.

Brother Fein was elected International President of the Fraternity in 1952 after many years of service to the Fraternity, particularly in the Western Massachusetts area. For many years, after completing his term in the Consul's chair, he continued to serve the Fraternity as a Trustee of the Tau Epsilon Phi Scholarship and Student Aid Fund, Inc. with distinction. His son Sherman is an alumnus of Theta chapter at B.U., and his grandson is an alumnus of Rho chapter at Penn.

He will be sorely missed.

*Samuel L. Fein*

## Another TEP Appointed To Sub-Cabinet Post

BROTHER Peter D. Ehrenhaft, Alpha (Columbia) has been appointed Deputy Assistant Secretary of the Treasury by Treasury Secretary Michael Blumenthal. In this capacity, Brother Ehrenhaft will be responsible, within the Office of General Counsel, for the administration of the anti-dumping and countervailing duty laws. In addition, Brother Ehrenhaft has been designated Special Counsel for tariff affairs.

Prior to his appointment, Brother Ehrenhaft was a partner in the New York and Washington law firm of Fried, Frank, Harris, Shriver and Kampelman. Previously, he served as senior law clerk to the Chief Justice of the United States, Earl Warren. Brother Ehrenhaft therefore becomes the second TEP alumnus to join the Carter Administration in a sub-cabinet post. In the Fall issue of the PLUME, it was reported that Brother Don Elisburg of Rho Delta Rho (Illinois Tech) had been appointed Assistant Secretary of Labor.

## CHAPTER ETERNAL

Brother Charles C. Block, Theta (Boston)

Brother Jacob Addlestone, Upsilon (Charleston)

Brother (Dr.) William Dean, Gamma (N.Y.U.)

Brother (Judge) Murray Goodman, Tau Alpha (Florida)

Brother (Dr.) M. W. Bergman, A Founder of Mu Chapter at Emory University.

## Expansion Activity

THROUGH the efforts of transfer brothers and pledges, colonies have been formed at Temple, Florida State, and the University of Maine-Presque Isle. The groups at Temple University and Florida State University represent the reactivation of the Zeta Lambda and Epsilon Deuteron chapters respectively. Both chapters became defunct during the turmoil years of the late sixties and early seventies. The Temple chapter still owns its house, currently leased to another Fraternity. The house will be made available for the reactivated group in time for the Fall semester, 1978. As stated above, each of the new colonies was started through the efforts of transfers from other chapters. At Temple, it was Brother Larry Neigut, one of two transfers from Epsilon Eta chapter at Drexel. Bruce Rosenblum, a transfer Pledge from Phi Beta chapter at University of South Florida, and Adam Sternberg, Delta Upsilon at Duke, a student at the Florida State Law School, were chiefly responsible for the effort at Florida State. While at Maine-Presque Isle it was Brother Ed Hamlin, a transfer brother from the Husson College Colony who organized a group of 15 which has been granted Colony status.

*Dr. M. W. Bergman*

# Chapter News

## Tau Beta — University Of Maryland

IT has been a few years since Tau Beta Chapter at the University of Maryland has written to the Plume, but we hope to write to it with good news on a more regular basis. In the meantime this is how things have been shaping up. This past October the chapter once again sponsored the semi-annual campus blood drive. With the dedication of the chairman, Brother Scott Plavner, and the assistance of the brothers and pledges, Tau Beta was able to raise over 1,000 pints of blood for the American Red Cross. In November Tau Beta chapter helped to raise over $53,000 in the University's Annual Dance Marathon for Cancer. With the leadership of the co-chairmen, Brothers Gary Blender and Isadore Baseman, the brothers of Tau Beta were able to raise over $5,300.00 of that total themselves. Brother Martin Brooks, who danced for 72 hours in behalf of the chapter, placed second out of over 60 couples participating in the dance marathon.

Other major events that took place throughout the semester included the chapter's Parents' Weekend which was very enjoyable for everyone, and also our annual Homecoming Day Celebration which was a huge success. After Maryland played Duke in an afternoon football game at Byrd Stadium the Alumni and Undergraduates of Tau Beta, along with their dates, were invited back to the chapter house for some cocktails and a delicious Homecoming Day dinner. Later that evening a Homecoming Dance at the Rouse Building in Columbia, Maryland was held for the brothers, pledges, and alumni of Tau Beta. The band "Person to Person" played music throughout the entire evening and made it a most enjoyable night for all who attended.

Our athletic program has continued to excel where we placed first in basketball with a 3-0 record, 3rd in soccer, and 4th in football. With the talents of Glen Burke TEP never lost a set in tennis. Besides winning tennis in the intramurals program Glen went on to win extramurals tennis, which involved other colleges.

In December Tau Beta held its chapter elections and these are the results. Harry Kovelman was elected Chancellor and David Taplinger Vice Chancellor. David Goldner, Jeffrey Perlow, and Steven Weinstein were elected Bursar, Scribe and Pledge Warden respectively. Barry Zuckerman was elected In House Board Of Governors and Richard Epstein Out Of House Board of Governors.

This past year three brothers from Tau Beta Chapter have become engaged and we would like to congratulate Brothers Gary Reicher, Carl (Gopher) Feldman, and Steven (Yogi) Berlin and wish them well. Until we write again, KEEP TEPS TOPS.

## Epsilon Nu — R.I.T.

GREETINGS from Epsilon Nu, the chapter that thrives amidst the frigid surroundings of the Rochester Institute of Technology. Our 15-man fall pledge class brings our membership to 45 — our highest in years. During fall quarter, we held EN's first annual Alumni Weekend. We were pleased to see many alumni; one of them even flew in from Mexico! To keep our spirits up, we decided to purchase a new 3-keg beer cooler. The quarter closed on a happy note, as brother Bruce Thomson and Judy Gingell were married in our basement on November 10; we wish them good luck and happiness.

The outlook for Epsilon Nu appears extremely bright, with such things as our Christmas Party and Night in the Tropics to come during Winter quarter. If any of you are in Rochester at any time, feel free to stop in. TEP does!

## Delta — Cornell University

THINGS are very much on the move at TEP's oldest existing chapter, Delta at Cornell. Thanks to a generous loan, negotiated by our Alumni Association, Delta Chapter has made a large number of renovations. The improvements included some much needed maintenance work like roofing and new water heaters. Extensive insulating was also done, so at Delta we will be able not only to save energy, but get

*Published Quarterly* by Tau Epsilon Phi Fraternity, Inc., at 3272 Peachtree Road, N.E., Suite 358, Atlanta, Georgia 30305. Mailed regularly to National Chapter members, dues $15.00 per year, which includes membership of $5.00 and subscription of $10.00. Second class postage paid at Atlanta, Ga. Publication Number 436260.

*Mu (Emory) brothers being presented with plaques by the American Cancer Society in appreciation of the chapter's sponsorship of "Flight for Cancer" last Spring. This event, which was held in the DeKalb County Airport, raised several thousands of dollars to fight cancer.*

through the cold Ithaca winters. The aesthetic aspect of the house was not neglected. The interior and exterior were painted and there is new carpeting and furniture. Many alumni have had difficulty in recognizing the new, improved Delta house. The brothers contributed a lot to the renovation. For example, a decrepit old piano was completely restored. As was hoped, the house improvements are having a positive effect on rush. Although formal rush at Cornell is not until mid-January, it does appear that this year's pledge class will be one of our best.

## Sigma Lambda — Bryant College

THE first semester of school is rapidly coming to a close. This has been a very trying semester. The first three weeks of school were met with disaster. Our suite was broken into and vandals stole and damaged much private property.

But we didn't give up. We continued our Happy Hours and parties. They were very successful. We became involved in many of the weekends put on at school. Sigma Lambda had great success at the Personality Weekend. Brother Greg "Wildride" Rideout and Sigma Lambda Theta's Debbi stunned the crowd with their wit and humor and won the title of Mr. and Ms. Personality. Close behind, in second place, was Brother Mike Beachball Mansella and Beta Sigma Omicron's Michelle Martin. "TEP Takes Two Trophies." We are looking forward to taking more trophies next semester.

In sports, TEP spotted two intramural bowling teams. Both teams finished in second place just a hair out of the playoff picture. Our volleyball team had potential but lacked experience. The team was headed by two six foot three inchers, Frank Branca and John Vincent and anchored by K. John Pereira. But an early season injury to speedster Greg Rideout put him out for the season and weakened the team. The team ended up 3-6, but we'll be back next year.

We wish all of our brothers a prosperous New Year and remember the immortal words of the "Heme", "PARTY HARTY."

## Phi Epsilon — Eastern Michigan

THE fall semester began by painting the exterior of the TEP house. Various sororities also assisted, as the event turned out to be a TEP "Paint and Weiner Roast Day."

Our annual Haunted House again proved to be a success. The AOP and EEE sororities helped. McDonald's restaurant furnished orange drinks, while other local merchants provided black light bulbs, pumpkins, paint, lumber, newspapers and sheets. The haunted house participants either rented or made their own costumes. With the twenty-five cents donation, over one hundred fifty dollars was donated to the Children's Leukemia Foundation of Michigan.

November 12 was Dad's Day. The fathers arrived at 11 a.m. for a few pregame beers and friendly talk around the fireplace. After lunch, everyone went to the football game. However, during third quarter play, the temperatures hit the mid-teens and had everyone headed back to the house for more sandwiches, beer and warmth. At the end of the last wrestling match, (an upset occurred in which a father defeated an undergrad) the fathers departed, leaving the more than exhausted TEP's in the living room. All in all, it was a very eventful day.

The week of Thanksgiving brought about our first "Turkey Day" feast — and what a feast it turned out to be! (No sweat, the cooking was done by a sorority.) The huge turkey was devoured by hungry brothers within minutes. Needless to say, there were three full days of leftovers.

December 16 was our traditional Christmas party with the retarded underprivileged children from Plymouth State Hospital.

We'd like to express our appreciation to brother Roman Szapiel from the Rho Delta Rho chapter for doing a superb job in his first semester as our new Regional Governor.

In sports, we are fighting for the fifth position in the race for the "77-78" coveted All-Campus Sports Trophy.

*Remember When? GMMA Chapter at N.Y.U. in 1925*

## Alumni Notes

DANIEL L. WEISS, M.D., Alpha (Columbia), has been appointed Executive Secretary of the Division of Medical Sciences, National Research Council, National Academy of Sciences in Washington, D.C. He comes to this position after serving as Professor of Pathology at the University of Kentucky since 1963.
