Executive Director and Editor

THE Fraternity world has traditionally drawn its membership from the 18-22 year old age group. Between now and 1990 this pool of rushable men will decline by 16 percent. An additional decline of six percent is anticipated by 1995. This according to projections of the size of high school graduating classes compiled by The Western Interstate Commission for Higher Education (WICHE) and reported by *The Chronicle of Higher Education* (CHE).

The WICHE report projects declines of from 2 to 42% in all but 10 states. Declines in excess of 31% are forecast for 13 states and D.C. Eight of these states, New York, New Jersey, Illinois, Pennsylvania, Maryland,

Massachusetts, Connecticut and Ohio, were named as home states by 66% of our initiates during the last 2 years.

The message these numbers bring to TEP is clear. We must broaden our geographic appeal and scope of operations to include greater portions of the south and southwest.

It is also clear that we can anticipate the loss of several chapters due to insufficient membership or school closings. There is nothing we can do to save a chapter if the college goes out of business. There is much that we can do to increase our share of the dwindling market of rushables.

To increase our market share, TEP must face and overcome the challenge of improving the quality of undergraduate program-

ming. We must ensure that each of our chapters is providing leadership, growth and management opportunities for its members, and an atmosphere conducive to and supportive of educational and emotional growth. We must develop TEP as an important adjunct to classroom learning. And we must extend TEP to campuses and schools that are strong and growth oriented.

The substance of TEP and all International Fraternities is the tremendous benefits that are available to our members because of our size. The more campuses that have TEP Chapters, the more TEPs we have and the more apparent and abundant become the benefits to you. By opening in states and at

Alpha Alumni Association

by: Stanley I. Schachter

HOME COMING at Columbia in October, 1979 began successfully with a Columbia football victory over Penn at Baker Field. Twenty-nine Alpha Alumni and their spouses were present to savor the victory as well as the hors d'oeuvres and drinks that followed at the Tennis Fieldhouse overlooking Spuyten Duyvil.

Jerry Landauer travelled up from Washington, D.C. where he covers the political maneuvering for the *Wall Street Journal*. Rosalie and Artie Ingerman, Maureen and Fred Ronai and Eunice and Bob Stuart were part of the local contingent that served the cheeses and spirits. Caryl and Stan Rubenfeld, Marilyn and Herb Cohen, Barbara and Phil Pakula, Gene and Genie Baraff and Laurie and Ralph Matalon exchanged stories about home and profession.

George Prozan, who came to New York a month later, has a son, Michael, in his second year at Columbia. He and Sylvia hope to attend Alpha's 70th Anniversary Homecoming in October 1980.

Ricky and George Gordon get an honors award for having three children at Columbia at once. Ricky is an executive with Citicorp and George moved his hair from his head to his chin.

Marge and Bob Silver who journeyed from Boston to attend our June reunion, couldn't join us this time, but promised to try in 1980. Marge is at Harvard seeking a PhD in Psychology. Do you recall that they were married 28 years ago on February 9th?

Carole and Jules Ross are expecting in April. Jules is being honored by the Publishing Industry on May 15, 1980 as the UJA-Federation Guest of Honor.

The medical profession was well represented by Jerry Evans, George Lipkin and Mickey Winick (with spouse Elaine), along with Harriette Mogul (with spouse Mal).

Epsilon Lambda Plans for 22nd Anniversary

THE Epsilon Lambda Alumni Association is alive and kicking! Our December meeting was a great success, with an excellent turn-out, much business accomplished, and a hotly contested poker game followed. Election results reinstate Lidia Pousada as President and Mike Berlinger (Grand Council Member) as Treasurer. New additions include Dr. Robert Meltzer as Vice-President and Mike Gartenberg as Secretary.

The membership voted unanimously to hold an alumni reunion commemorating Epsilon Lambda's twenty-second anniversary. The reunion will be held on April 26 at the chapter house. A buffet dinner will be served with an open bar. Interested alumni should contact Mike Berlinger at (212) 927-8347 for further information.

Fein Re-Nominated

THE Northfield, Illinois School and Park Board Caucus recently announced ROGER G. FEIN, Tau Upsilon (UCLA) as its candidate for reelection to the Board of Education of School District No. 29. Fein was also recently reappointed to the Securities Advisory Committee to the Illinois Secretary of State of which he served as Chairman from 1973 to 1979. Bro. Fein has announced his candidacy for election this year as Third Vice President of the Illinois State Bar Association on whose Board of Governors he presently serves. Fein is a Fellow of the American Bar Foundation, and a member of the Board of Directors of the Illinois Bar Foundation and Northfield Community Fund. He is a partner and member of the Executive Committee of the Chicago law firm of Arvey, Hodes, Costello & Burman.

Epsilon Eta Celebrates 25 Years of Friendship Thru Fraternalism

ON April 26, 1980, Epsilon Eta Chapter will have our greatest and largest celebration in 25 years. This year marks our silver anniversary and it will be celebrated in style.

A dinner-dance will be held at the Philadelphia City Line Holiday Inn. Cocktails at 7:00, dinner at 8:00, followed by four hours of dancing.

The theme of the event is "Friendship thru Fraternalism." All alumni, undergraduates, friends and family of the Chapter are invited.

Invitations have already been sent out so send your money in as soon as possible. The cost is \$20 per person and can be mailed to the TEP house. For questions, call Brian Kroker, (215) 222-6128 or Murray Greenberg, (215) 356-5091.

Tau Beta to Celebrate 55th

ON May 3, Tau Beta Chapter at the University of Maryland will celebrate its 55th Anniversary with a reunion Dinner-Dance to be held at the Regency Terrace Ballroom in Baltimore, from 9:00 p.m. to 1:00 a.m.

Tau Beta Chapter was founded 55 years ago on May 31, 1925 at the old Southern Hotel in Baltimore.

The Dinner-Dance will be a reunion for all alumni, undergraduates and their guests, giving them an opportunity to renew old acquaintances.

Tau Beta Chapter has had a number of problems during the past few years, but with the help of the International during the last year, it has proceeded to regain its status as one of TEP's top Chapters.

Invitations will be mailed around the first of March to all Tau Betas and all TEPs in metro Baltimore-Washington.

For additional information contact: Brother Howard Perlow, P.O. Box 5963, Pikesville, Maryland, 301-484-4076.

How We've Grown!

(continued from page 1)

colleges where we have never been or are now only sparsely represented, the idea of our International scope is enhanced. But we also need to reestablish former chapters. Because through reactivation we reunite Alumni whose interest waned with the dormancy of their chapter.

The 1980's present a challenge that we must meet and overcome by improving and expanding our current chapters. By re-colonizing dormant chapters, and by colonizing at schools and in the 22 states where we have never had chapters. To do this, we must turn to our Alumni and ask you to put back a little of what TEP gave you.

We ask you to give "the best thing you can give . . . to your fraternity, service." Serve by enhancing the partnership between the Fraternity's Alumni and undergraduates; by offering your expertise in pledge education, public relations, administration, law, finances, graduate relations, ritual or scholarship. Help us colonize a new or dormant chapter: volunteer to serve as an advisor or on the Board of Directors of a chapter or colony. Whatever your interest or area of expertise we need you! Fill in the coupon on page 7 and we'll do the rest.

Epsilon Mu Alumni Association News

by: Tom Borgioli

EPSILON Mu Chapter is alive and well and still surviving in the Bronx. The new Decade has spawned some old ideas. The Alumni Association has been revived by Tom Borgioli - President of the Holding Board, Scott Marshall - President of the Alumni Association, and some incredibly fantastic Graduates who are helping us revise our mailing addresses, while bringing their bodies and those Brothers we have not contacted over to the Fraternity house. If you have not received a letter please let us know. Our goal is to have an 80 plus Alumni Association right before the annual Awards Dinner that will be held at Tardis sometime in June (probably the second Thursday).

On January 27 the Alumni challenged the undergrads to a flag football game. Although the Grads lost by a 'respectful' score of 7 touchdowns to 3, that old spirit was still there (even in defeat) as the last blood of the game was scored by the graduates as the game ended. This 'mild hitting non-contact game' will be rematched in the Spring with a softball game (it's a lot easier on the body guys). Carl Horowitz, Dave Glickenstein, Herb (the Herb) Perlin, Robby Friedman, Nick (Mr. Bylaws) Trotta, and Steve (King Kong) Geller shined on both the offense and defense.

The next Alumni reunion should prove to be better than the first (also more quiet). It will be a Las Vegas Day, and will run from 1 p.m.-10 p.m. Beer, wine, soda and chips will be on hand and over 50 Graduates going back to the Pledge class of 1962 will be attending.

The new Alumni Association is accepting donations of \$10 or more to rebuild the

Chapter. Please help us in our endeavors, and remember that Epsilon Mu is only as strong as its ALUMNI!

Donations to Epsilon Mu Inc. may be mailed to: Tom Borgioli at 2694 Valentine Ave., Bronx 10458, Phone (212) 364-4776 or Scott Marshall at 2140 Cruger Ave., Bronx 10462, Phone (212) 828-5339. We look forward to hearing from you and hope many of you can help us update our mailing list. We also look forward to seeing you at our next get-together in late March or early April and at the June Awards Dinner.

The promise for the new decade is the rebirth of the Epsilon Mu Alumni Association, and we look forward in sharing this achievement with you!!! Our best wishes to all Alumni during the New Year from EM 1 to EM 375.

THE past two quarters have been quite busy for us here at Emory. After many years of "close but no cigar," the fraternity football team reached its goal by beating Alpha Epsilon Pi in the college championship by a score of 6-0. The inspired TEP team then took on the Dental School team in the University Championship and again, came away with a hard-fought and well deserved victory. After getting to the semi-finals and even the finals in many sports in recent years, this was the first TEP championship in sports in awhile (or in as long as Bob Cohen, our oldest Mu, can remember). Academic wise, the results for the highest fraternity grade point average have not yet been released, but TEP compiled a 3.4 last quarter and is surely in the running for a fourth consecutive victory. Last week was perhaps the biggest social event of the year, our Sweetheart formal. This year it was held at the Hyatt Regency in downtown Atlanta and everyone seemed to enjoy it. Another important event which happened early this month was the successful initiation of 29 pledges. The future continues to look bright for us. This week fraternity elections were held and saw the Chancellorship being turned over from Jeff Michelson (who will be graduating) to Michael Bass. One of the first things that Bass has proposed to initiate is an Alumni Newsletter for past "Muboyes." In the plans is a weekend during spring quarter for Alumni in the Atlanta area. We are in the process of obtaining addresses which will

then enable us to announce a date early in spring quarter. Past Chancellor Jeff Michelson has also proposed an interesting idea: to appoint a Senior Correspondent each year who will serve as a "go between" with the Fraternity and his fellow graduating seniors. Any Alum interested in getting in touch with us for any reason, please feel free to call us at 404/634-9798.

NU — Georgia
150 Baxter St., Athens, GA 30601

Chartered: November 17, 1919

THIS Winter quarter brought many new changes and events to Nu Chapter. The only sign of winter was a quick snow one night. Otherwise we've been enjoying our new sundeck in the 75 degree weather in February. Our chapter did suffer a major epidemic one weekend when some twenty brothers caught the "B.U.B." (Bring Up Bug). Everyone survived although several brothers left deposits all over Atlanta and even as far as Beech Mountain in North Carolina (Michael Bloom).

All our efforts for collecting money for the Leukemia Society of America paid off when we were awarded a microwave oven which at this time is somewhere in Atlanta. Well anyway, it's the thought that counts.

On February 16, Nu Chapter celebrated its 60th anniversary or is it our 61st? We never know. This year the festivities were held at the Northlake Hilton in Atlanta. Several brothers received awards including David Pasternack - Best Brother, Michael Guld - Most Congenial, David Ellin - Most Athletic, and Steve Odrezin - Advisor's Award. Other awards presented included Rick Feinberg - Most Likely NOT To, Alan Zimmer - Most Bald, and Stuart Tuck - Most GSR.

Also at Anniversary the seniors presented the chapter with a beautiful, lifelike portrait of our beloved advisor Herbert Abrams. The picture will hang in a special place in our house in honor of Herbie's dedication to our chapter, the upstairs bathroom. We also tapped Stacy Engel as sweetheart of Nu Chapter.

Other exciting events included Nu Chapter's bowling team (Danny Blumenfeld, Stephen Dermer, Willie Harris, and Joel Appleman) who crushed the AEPis for the third consecutive time. We also played the Pis in basketball but the results of the tournament are not known at this time.

Elections were held this quarter and the winners are Jay Tenenbaum - Chancellor, Steve Fine - Vice Chancellor, Larry Freudenberg - Scribe, Joby Gruber - Bursar, and Michael Greenfeld - Member at large. Our new rush chairmen are Steven Odrezin and Mark Miller. At this time we apologize for Mark Miller being the worst pledge as stated in the last issue of the *Plume*. The fraternity also acknowledges Maury Shapiro and Steve Frankel for showing the true unity of their pledge class during elections.

Family Weekend, held March 1, was successful as usual thanks to the help of chairmen Ryan Friedrich and Scott Jolles. This year the new executive board was installed during the Sunday morning brunch.

In other news, two of our brothers were selected to be extras in the pilot TV film of "Breaking Away," which is being filmed in Athens. Miles Leon and Jay Tenenbaum can be seen this fall in the first show which stars Shaun Cassidy. If the pilot is successful more episodes will be filmed and we might have some stars in our midst. Good luck.

Also this quarter we initiated eight new pledges, our largest winter quarter pledge class in many years. Thanks to Mark Tenenbaum for his service as pledge master.

Finally Nu Chapter would like to leave the *Plume* with "D.W.A.I.," "Oy-yoy-yoy," "what-eh-va," and "probably" that's all. As for myself, I've enjoyed writing for the *Plume* these last two years and wish all the best in the future.

RHO (Colony) — Univ. of Pennsylvania

318 Magee Hall
3700 Spruce St., Philadelphia, PA 19104

Chartered: April 15, 1921

THIS weekend (Feb. 29), the Brothers of the Rho Colony initiated their first pledge class, capping off what was, for the sixteen pledges, a hectic week.

The activities began the previous Saturday with a game of pledge touch football against the pledges of the Epsilon Eta chapter (Drexel). In the first half, it looked as though the Drexel pledges were going to walk away with the game. In the second half, however, the Penn pledges were able to pull themselves together and pull out a victory on the final play of the game. Both sides had a great time. Thanks, Drexel!

The next week, the pledges used all their spare time rehearsing for the pledge show, putting together the pledge newspaper, and, of course, studying like demons for the big weekend. On Friday, it was off to Rutgers in South Jersey, where the kind Brothers of Sigma Epsilon had previously agreed to let us use their house as an initiation site. There the Brothers and pledges shared a series of enriching experiences which culminated Saturday night in the final ceremony, which was attended by John Lindsay of the Grand Council.

After the ceremony, everyone retired to the basement where the new initiates hoisted their first beers as Brothers of Tau Epsilon Phi. The entire Rho Colony wishes to thank the Brothers of Sigma Epsilon for being such fine hosts, and for their participation in this important weekend.

Still ahead for the Rho Colony: The search continues for a house, The Brothers on the housing committee are in touch with George Mar:io, and hope to have a house ready to move into in September. Also, discussions with the U of P administration indicate the possibility of the University recognizing the Rho Colony before the semester is over.

SIGMA — Syracuse University

907 Walnut Ave., Syracuse, N.Y. 13210

Chartered: January 28, 1922

THE nationally ranked Orangemen are not the only team at Syracuse University looking to be number one. The "team" at Sigma chapter is once again looking to be the top ranked fraternity at S.U. The turning point for us was when we were arrested last semester for stealing a street sign. Looking to turn over a new leaf, we held a Christmas party for underprivileged children in the Syracuse area with our always rotund president Ken Greene playing the role of Santa Claus. All the kids had a great time and one little fellow even expressed an interest in being a Brother at TEP one day.

Creating a new image did not stop there however. The Brothers have been working to improve the physical image of house too. After painting the house last semester, we have continued to take care of many of the housing code violations the city said we had to correct. In fact the house is looking so good now that several of our recent alumni have come up in the last few weeks and were astonished at the progress we've made.

One area that Sigma has always been number one in is partying and our recent campus-wide party featuring the band Spectrum certainly reinforced our top ranking in the student polls. The party was equally important in terms of helping us recruit a good bunch of guys for our spring pledge class. After all, the TEP men we initiate today will be the ones who will make us number one tomorrow.

PSI — Illinois

105 E. Amory, Champaign, IL 61820

Chartered: May 31, 1924

THIS has been a very hectic and busy time for the men here at Psi chapter. We recently initiated a very strong 50's pledge class of eight and they appear to be great TEP material. We also have a rush weekend planned out for the near future and we expect many guests. Work has gotten under way for a big Mom's Day celebration on the weekend of April 19. A banquet in honor of our mothers and many other events will be our way of thanking them for all the work and support they have given Psi.

In sports, our basketball team, once again, looks like it will be contending for the campus championship and with softball just around the corner, things couldn't be better. Also in the works is our philanthropy, an all campus pyramid building contest using bodies. This is being sponsored by Pabst Blue Ribbon and the proceeds will be given to the Muscular Dystrophy Association.

OMEGA — UNC Chapel Hill

216 East Rosemary St.,
Chapel Hill, NC 27514

Chartered: May 30, 1924

WE at Omega are pleased with our spring rush which resulted in 8 pledges. The new initiates quickly learned the rush system, and they have further increased the excitement

around the house. Some of the current plans include possible participation in a Student Government sponsored exchange program, and increased involvement in campus activities.

We have had two road trips this semester; the first to Nu Chapter at UGA to mix with the DPhiE's, and the second down to New Orleans for Mardi Gras!

We hope to make some renovations on the house this summer with the help of our Alumni. The project is headed by Bro. E. J. "Mutt" Evans. Overall, the new officers are enthusiastic about the house and we are all looking forward to spring.

TAU ALPHA — Florida

9 Fraternity Row, Gainesville, FL 32601

Chartered: February 22, 1925

TAU Alpha is at it again! What? Sports of course! We are presently in second place for the Presidents' Cup, (the intramural sports award), that we have retired twice. The only Fraternity here to do so. To help get us there we won first place in racquetball, by going undefeated. Our soccer team is on their way, for the fifth year in a row, to be undefeated.

We are currently in first place for the Dan McCarty Service Award for outstanding service to the Gainesville community and for our school. At this rate we will win the Award for the third time in a row.

A special Thank You goes out to Executive Director George Mamo, for helping us out with initiating our Fall pledge class. We would also like to thank him for being here for our annual Family Weekend, February 1, 2 and 3. A five minute film was shown to the Brothers and Parents, for the first time, on our advances in 55 years. A fantastic film done by Brothers Adam Doner, Ricky Freedman, Gary Indianer and Paul Indianer Multi-Media Enterprises.

The weekend of May 16, 17, and 18, we will be having our 55th Anniversary celebration. Our Anniversary was on February 22.

When we return to school after spring break — the first week in April, we will be having our Spring Rush. We are looking to pledge up 30 good men. Also that week we will be having our annual 72 hour Swing-a-thon for Cancer. We raised over \$2500.00 last year, and our goal is over \$3000.00 this year.

Speaking of service — our support of the United Jewish Appeal Campaign here at the University of Florida is going fantastic! Last year we raised the most money out of all organizations that participated. We are looking to reach that goal again this year. A congratulations goes out to Brother Rick Cimmerman who made the University of Florida All-Star College Bowl team. The team met in Atlanta at the Regional Tournament, and came in fifth place, out of 17 teams. The team also won first place in the State of Florida. Rick was also on Tau Alpha's College Bowl team this year, which won first place in the Greek Division and third overall on campus. Last year our team won first over-all, in the Greek and the campus division. Just wait 'til next year!

AS one good turn deserves another, so does one good semester. This will be another banner semester for Tau Beta TEP. We now have twelve pledges this semester to add to the growing Brotherhood. Tau Beta is looking forward to a heavy schedule with great anticipation. The Brothers are psyched for this semester's intramural sports activities, Greek Week and our annual weekend formal.

Tau Beta is proud to announce its 55th anniversary and will celebrate the occasion with a reunion of all Tau Betas and TEPs in the area. Brothers Jeff and Howard Perlow have arranged a banquet to honor the event which will be held Saturday, May 3rd at The Regency Terrace Ballroom in Baltimore. The affair will commence at 9:00 p.m. and will run until 1:00 a.m. All who wish to attend please R.S.V.P. to Howard Perlow at 301/484-4076. The Brothers of TB are looking forward to seeing you there.

THE Brothers of Tau Gamma say hello to all the lucky chapters east of the Mississippi that enjoy such comfortable climates, while we suffer in harsh (70°) winter weather. We wish we were as lucky as all of you!

Things haven't been all bad around here. New Years was memorable, as always. Many of the Brothers enjoyed the festivities known as the ROSE BOWL. Some spent New Years Eve running around Pasadena, while others were at the house, praying to the porcelain god. All in all it was an enjoyable evening. New Years Day was spent recovering at the big game itself. Brother Peter Landon made a cameo appearance on the tube, and Brother Doug Milo, never one to be shy, made himself heard in the stands. As usual, the football team came thru with a thrilling finish, and a high national ranking. Of course, we feel we have received the shaft from the polls and the second year in a row.

Speaking of rankings, the Brothers of Tau Gamma have struggled thru the first half of a grueling sports year fighting it out for first place in Iron Man standings. The prospects look good for high finishes in basketball and softball this year. Brother Vince Oliver will captain the basketball team. He is always a leader on the court, demonstrating belly-up defensive tactics as well as a sure shooting hand. The softball effort will be led by Brother Neil Meccia, an all-league catcher who dumbfounded spectators last year with his acrobatics behind the plate.

The Brothers kicked off a great semester of social events with a TEP bash at the sprawling summer home of Brother D. Edward Eurich, located on the beaches at Malibu. Highlights of this evening were Brother Brad Ou's date, M.J., modeling her 36-24-36 frame, and pledge Clarke Ireland's one sided debate with a trash can. Another thrilling evening planned is a party to be held at a

prospective Little Sister's home in Bel Air. She says she can get her next door neighbor, Johnny Carson, to drop in and exchange a few lines with the Brothers.

Life has been rough out here at the lone TEP fort west of the Mississippi, but we try to have a good time. We would like to hear more often from our estranged Brothers back east, as well as our alumni (come out, come out, where ever you are).

WINTER is slowly dwindling here at Tau Zeta (if you can call 12 inches of snow, winter) and we are looking forward to a successful spring.

Rush is in full swing. We have four pledges presently and have more on the way. We initiated five new Brothers just before the close of last semester.

The parties are keeping us alive. We are trying to outdo last semester's Hawaiian party and have planned to have a Shot-A-Minute-Party with a sorority!

We are all looking forward to the upcoming Greek Weekend. Plans include our annual waterballoon fight on The Mall with Beta House and a ride in the back of Skidross' clutch-burning truck, in the Greek parade. (Maybe it won't rain this year).

Congratulations go out to newly elected President David Morean and many thanks to former President David Greer. We also congratulate Brother Chuck Gilles and Jeff Herson for their December 1979 graduation. (May Administrative Law haunt you always, Jeff!!!).

WE must congratulate George Mamo for his fine efforts; his new broom is sweeping very clean. Just when we thought we had some financial stability, we were presented with a bill past due to the tune of \$600 from previous Brothers' head tax payments. But this is not our major concern. Of the 15 Spring pledge hopefuls, 7 did not meet academic requirements and the influential pledge of the other 8 picked up a different Greek bid. We've overcome hard times before, and somehow we'll do it again. Any constructive advice or financial assistance (are you listening Alumni?) will be appreciated. OUR alumni committee has been very busy the past few months. They have been trying to get our alumni active in house functions.

During the past few months, they have spent many hours up at the alumni center, seeking out lost alumni addresses. Now, hopefully their hard work will pay off with the interest of the alumni.

Our biggest event we have scheduled will be an alumni reunion which has been tentatively scheduled for September 27, 1980. It will be a dinner-dance to be held at a local hotel complex. We are now looking into several possible locations. We are hopeful this will turn into an annual event.

We have also scheduled an alumni-undergraduate softball game on April 26, 1980, which will be followed by a barbecue back at the house. Then the weekend May 10, 11, will be spent on the Delaware River on our annual canoe trip.

All Tau Psi alumni should have received letters from us by now. If you did not receive a letter or if you want to attend one of the activities, drop us a line — we will be glad to hear from you.

TWAS the night before finals, when all through the frat

Not a creature was stirring, not even a rat;
The empties of Old Style were placed out of doors,

In hopes that the beer man would soon bring us more.

The pledges were nestled all snug in their beds,

While visions of Space Invaders danced in their heads;

And Russ in the washroom, and I on the floor,
Had just fried our brains with potent liquors;
When out from the quad there arose such a noise,

I thought it was Polzin, or another of the boys.

I ran to the window in case I got sick,
Spit out my Jack Daniels, turned down my Cheap Trick,

When what should my bloodshot eyes see through the smog,

But a miniature beer truck, and eight tiny rat-dogs,

With a little old driver, not I remember,
I knew in a moment it must be Dean Ebner.
"Oh Stashu! Now Hobo!" he said with good cheer,

"We must stop here at TEP House and give them their beer."

And then, in a twinkling, he pulled from his sack;

An infinite number of shiny six-packs;
"For Johnny and Jerry," he sang as he smiled,

"And here's one for Goose, at the top of the pile!"

Soon he was finished, and from ground to third floor,

Lay a glistening tower of golden liquor.
My wildest hopes were imagined; I'd achieved inner peace;

But wait, here's a siren; it's the campus police!

Like hellhounds they charged; "Dean Ebner, please run!"

But they finally caught him outside of E1. He said but one thing, handcuffed up on the wall, "No more finals," said he, "I've cancelled them all."

WE finished up last semester in good spirits as our Christmas party was a success. Tau Omega invited the Sigma Lambda Chapter from Bryant College to celebrate with us. The Brothers and Pledges from the two Chapters, with their dates, celebrated at a local establishment, in the best TEP Christmas spirit.

We would like to congratulate Alan Blais, our newly elected Chancellor, and his new officers. We would also like to thank outgoing Chancellor Michael Masse, and his other officers on the excellent job they did during their term. Good luck Al, and thanks Mike.

The upcoming events of this semester prove to be exciting. We are now preparing to defend our Greek Week Championship of a year ago. Preparations are already being made for Pledge Formal, and the annual TEE-PEE Trot, which are just around the corner.

Tau Omega Chapter was shocked early in the year by the sudden death of Brother Mark Hamilton, which was due to a car accident. Mark will be missed very much, for he was a Brother in every sense of the word. But we realize that a part of Mark will always be with Tau Omega and Tau Epsilon Phi, and he will never be forgotten, for his contributions to his Chapter were endless and always unselfish. Thanks for the memories Bear.

HAIL and long life, Brothers! Another year has passed and we're still alive and well here at Delta Upsilon. Sorry to report that we haven't met the new National 20% growth guidelines, but we're still hovering at 15 members, with the strongest pledge class since 1978. This year's additions to the Chapter roll Bro. David Goldston and Pledges David Matlock, Jesse Savage and John Shade are sure guarantees of our future success.

Social programming this year has been of its usual excellence, with Casino and MASH parties, and the ever successful Tropical Paradise Party, as well as the recent Omar Khayyam party (thanks to the help of Associate Liz Fannin and friends from her belly dancing class). Events scheduled later this year include the 3rd Annual Spring Picnic and Beach Week, and several events for a spring rush. (Which reminds me, Alums who are interested should call 919/684-2903 - Commons Room phone), for information and reservations if interested in attending Beach Week, May 3-10 at Ocean Isle Beach.)

The Chapter has taken a new twist, with

our recent decision to move out of University housing and to rent a house as our new off campus base and home. This is a big move for us and new for the University, as we'll be the first off campus residential fraternity at Duke in seven years. At present we haven't selected a house, but things are moving and we hope to see TEPs visiting our new location.

End-O-Line Dept.: For those Alums who didn't get our mailing last fall (or who did and forgot), D.U. Chapter is compiling records on our Alums and on Durham area TEPs. Please send us a line with your address and any info you have on other Brothers in Durham County.

Hey you Maryland folks . . . hope you enjoyed the game.

THINGS are looking better at our Chapter and with our region. Our regional chapters (Epsilon Rho, Epsilon Mu, Epsilon Omega and Alpha) are planning a regional newsletter. It will consist of each chapter's calendar of events for each semester. We will then try to coordinate the calendars to share our activities, with as many chapters as possible. Some examples are: sporting competition, cookouts and parties.

We had a visit from Drexel (Epsilon Eta). Approximately five of their pledges came up for their pledge project, which was to interview one of our women members (since we have local women members) and to steal a pair of panties. Rumor throughout our house says they succeeded in stealing the panties.

We are having our second Alumni reunion dinner party in the middle of April. Our Alumni officers will contact all our lost Alumni for the event. Our first reunion for the twentieth anniversary was a great success.

EPSILON MU — Lehman College

ON January 20th, the NFL held its Super Bowl. On January 27th, Epsilon Mu held its

Super Bowl. It was the graduates vs. the undergraduates. The game was in the making since the close of last semester. The winner would treat the loser to kegs of beer to be consumed at our house following the game. Both teams had much more at stake than simply money to pay for the beer, they had their pride.

At 12 noon, the Alumni started to gather at the house. They were forty in number and they were retrieved from ten years past. They were large, rough and ready for the encounter that awaited them. The undergraduates assembled shortly afterwards. The battling "Lehmanites" were only 10 in number and not as formidable in size but they were well prepared for the game and were ready for the upcoming challenge. Ed Chin, the Regional Governor, was on hand to referee the game. All preparations were made for the celebration that would follow the contest. Both teams were very psyched for the game. Emotion was at its peak. Tension filled the air. It was kickoff time.

The graduates won the toss and elected to receive. They proceeded to march down the field with a strong outside rushing attack led by Carl Horowitz. Things looked bleak for the undergrads but they brightened when the undergrads matched the Alums with a score of their own. A key fumble recovery by the undergrads' Mike Friedman led to another score. Soon the undergrads broke the game wide open with four more touchdowns. Operating with the cohesiveness and coordination of a well oiled machine and the aid of two more fumble recoveries, the undergraduates were able to take command of the game. The receiving of split end Kevin Malvee, the rushing of fullback Mike Robinson and the savvy and leadership of quarterback Steve Landau stood out in the undergrad's offensive display. The final score was 42-18. It would have been more lopsided if not for the brilliant defensive work of graduates Tom Borgioli and David Lee Glickenstein.

The festivities would now commence. Sal, the legendary pizza maker, was in awe when we proceeded to order a dozen pies. We not only ordered them, but we ravaged them all down while guzzling kegs of beer. We all relived the high points of the game while the undergraduates savored their victory while noticing the parallels between themselves and their counterparts of years past. They had a chance to meet and get to know these legendary names of the past. At the close of the day, a newly initiated Brother said, "I guess this is what Fraternity life is all about."

THE Phi Eta Chapter is proud to announce the acceptance of 23 new pledges, following an intensive three week rush period. In this time, we sponsored no fewer than 6 parties. The events were culminated on Pledge Saturday when morning induction was followed by an afternoon buffet at Peerce's Plantation (with over 70 Brothers, pledges and alumni in attendance) and a semi-formal affair that evening.

Despite the activities of the day before, the Brotherhood met the following Sunday to elect officers for the new term. The winners are Jack Lu from Teuksbury, Massachusetts, Chancellor; Lou Guzzi from Johnstown, Pennsylvania, Vice-chancellor; Dave Bellinger from Fairfax, Virginia, Bursar; Marcus Helman from the Windy City, Scribe; Doug Mills from Panama City, Florida, Pledge Warden; Andy Shapiro from New Brunswick, NJ, Sergeant-at-arms; and last, but not least, Mark Fields of Catonsville, Maryland, The Grand Wazoo.

A number of activities are planned for the Spring, much of which surround the pledging period. A massive road trip to UVA is planned for Easter's Weekend, which coincides with the UVA - Hopkins lacrosse game. (All Brothers from Cornell and Maryland are welcome to Baltimore when their teams come to get trounced by the #1 Blue Jays).

Little Sister Warden Bob Kopec expects a large turnout for the Sig-Ep Little Sister program this semester.

We are eagerly awaiting our chance to defend our title of "Greek Week Champs" this April. Preparations are already under way for the opening parade.

This semester, the Brotherhood has started yet another Campus organization: The Amateur Stargazer Society. Thanks goes to the entire Brotherhood who make up 90 percent of the membership.

Also this semester, Brother Ed Schone, Rutgers-Camden pie eating champ, broke his own world record of two minutes five seconds with a time of one minute twenty-eight seconds. Later this semester Ed will be trying to break the one minute barrier. He challenges all TEP Chapters to send their best pie eaters.

Congratulations are in order, and well deserved, for Co-Rush Chairmen Pat Ford and Steven Fuchs (TEP's emissary to London this semester).

Our house has received several new improvements, as the house was finally fully insulated and we expect considerable savings in heating costs. The complaints of "Turn up the heat" voiced to former House Manager Howard Schoenberger have transformed into the request that House Manager Bill Schiesser "Turn down the heat." We have also added some new large storage closets and will soon be converting some old unused porches into usable rooms.

The Alumni Newsletter is in the process of being distributed and we hope that all our alumni will receive it well before Greek Week this year. The brotherhood would like to hear more from the alumni and we would like to include more alumni news in the newsletter.

ANOTHER year has fallen upon frigid Potsdam, New York. The new year has brought us many new and wonderful things; our first snowfall, financial problems with national, and of course, a change of officers.

Each year Clarkson College and Potsdam College sponsor an Ice Carnival. Events such as Ice Statue, Cavalcade, Parade, Oil Cloth, Window Painting, King Campaign, Beer Chugging, Pie Eating, and Skating dominate the agenda. Points accumulated in each event by each participating organization leads to placing in those events, which naturally leads to trophies and recognition. This year, the multi-talented Lambda Phi Epsilon led the way to victory by placing first in Oil Cloth, and Parade (float), and placing third in Cavalcade, Window Painting, and Skating, thus giving us the Overall Men's Competition trophy. We're looking forward to recapturing the overall for two more years to claim ownership of the trophy.

To all fellow chapters, April 25 promises a good time for all who attend our TEP-OMEGA 1980 beer blast. This year featuring 250 kegs, 20 taps, 5 different kinds of beer, food, two bands, and keg raffles. We hope to see you there.

April 25 weekend is also our alumni homecoming weekend. The Lambda Phi Epsilon Alumni Association members from across the country are excited about coming to that. Remember the Clarkson College Spring Thing is the same weekend and promises an unusual weekend for all.

In closing we want to ask one question; whatever happened to the Cornell chapter? We're still looking for a party, just say when and we'll be there!

THE Brothers of the North are in the middle of pledging our biggest Candidate class ever and having a great time. The twelve candidates may not agree with this sometimes, but they are learning what Friendship, Chivalry and Service mean in TEP. They have already raised \$50 for Multiple Sclerosis by selling tacos.

During Christmas break we were all sentenced to another semester in the dorms after the deal to lease a house downtown fell through. For details write National Headquarters. We think they have them.

The Brothers and Little Sisters are again working on a Dance-A-Thon to benefit the Pine Tree Society for Crippled Children. This year's dance will be 12 hours long with music supplied by WEGP radio. We expect to surpass last year's total of \$5000, by involving more students from additional Aroostook County high schools. T-shirts with a special logo will be given to dancers with \$35 in pledges.

We are looking forward to Spring, warm weather and road trips. Also we are planning some fund-raisers and more service projects. The TEP, god willing, we'll have twelve new Brothers to share these good times. We hope all TEP chapters have a good semester and keep TEP going strong.
