I. "Doc" Schwartz Fundraiser

Brothers,

In honor of our Founder's Day Month (10/10/10) -- The TEP Foundation, Inc. *Board of Trustees* has established a dedicated scholarship fund in the memory and legacy of Founding Brother Israel "Doc" Schwartz, Alpha #1.

This cash scholarship is to be awarded biennially with the **I. 'DOC' SCHWARTZ UNDERGRADUATE OF THE YEAR AWARD**. The award recipient is a TEP undergraduate "who has extraordinarily distinguished himself in scholarship, extracurricular activities and fraternity service" during his collegiate career.

As this is our 112th year in existence, we suggest a **\$112.00** donation or any donation amount you wish.

- Your donation is fully tax-deductible

With your donation and in the spirit of appreciation you will be given a digital copy of Sidney S. Suntag's (Executive Secretary Emeritus) book, *"The History of Tau Epsilon Phi: 75 Years of Friendship."*

We hope you will help to perpetuate "Doc's" memory, honor and legacy!
